ABOUT OUR **COMPANY**

MassVerify Solutions is a Massachusetts background check company. Our core service is the FBI background check: we review each request, arrange fingerprint collection, submit the fingerprints through the appropriate route, and keep clients informed until results arrive.

We also handle Massachusetts CORI checks and assist with Brazilian background checks (Federal Police and state-level), and we prepare the immigration letters of support and certified translations that attorneys often need alongside a background check. We have served clients since 2022 and work in English, Portuguese, and Spanish.

MassVerify Solutions is not a law firm and does not provide legal advice.

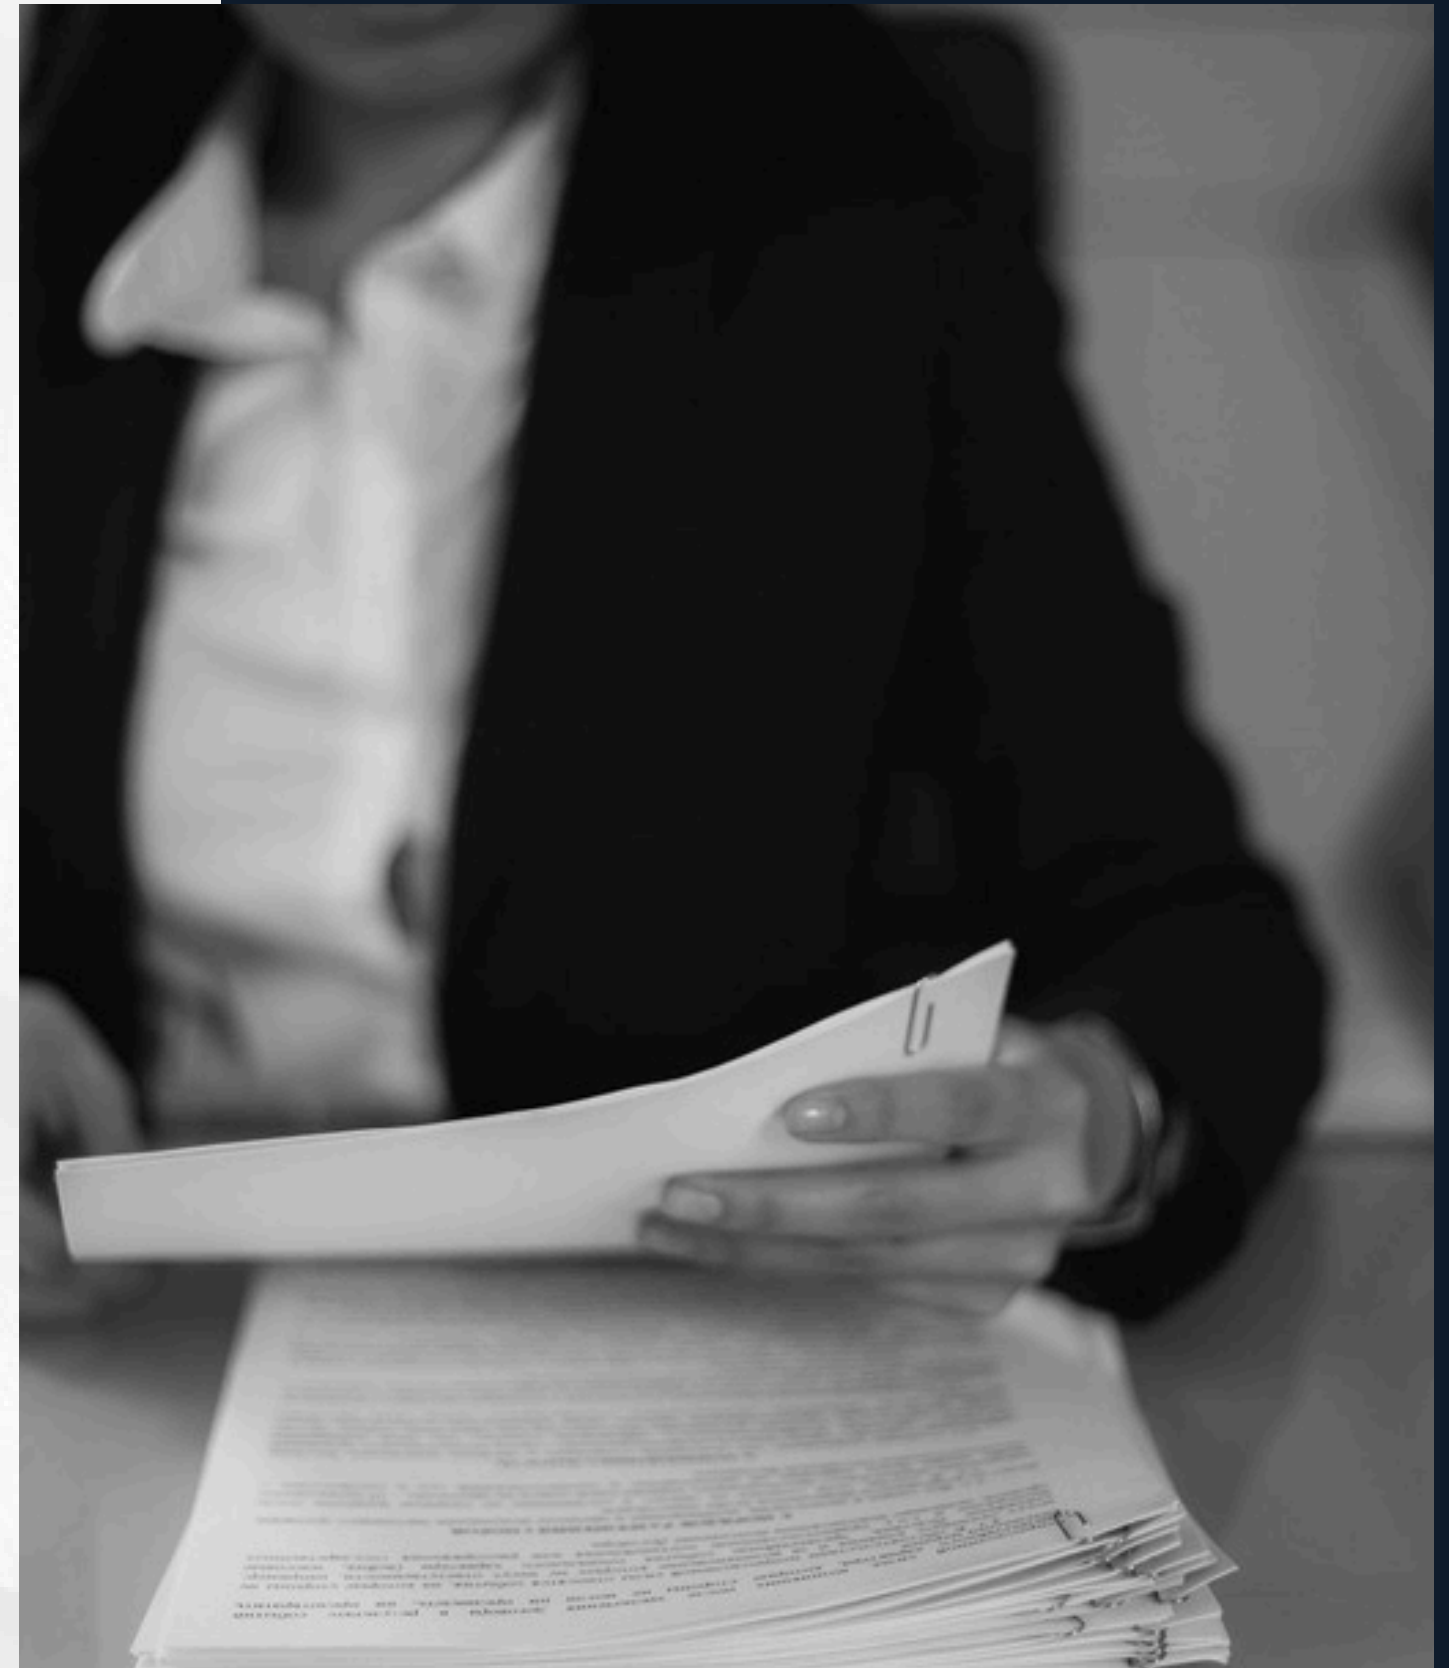

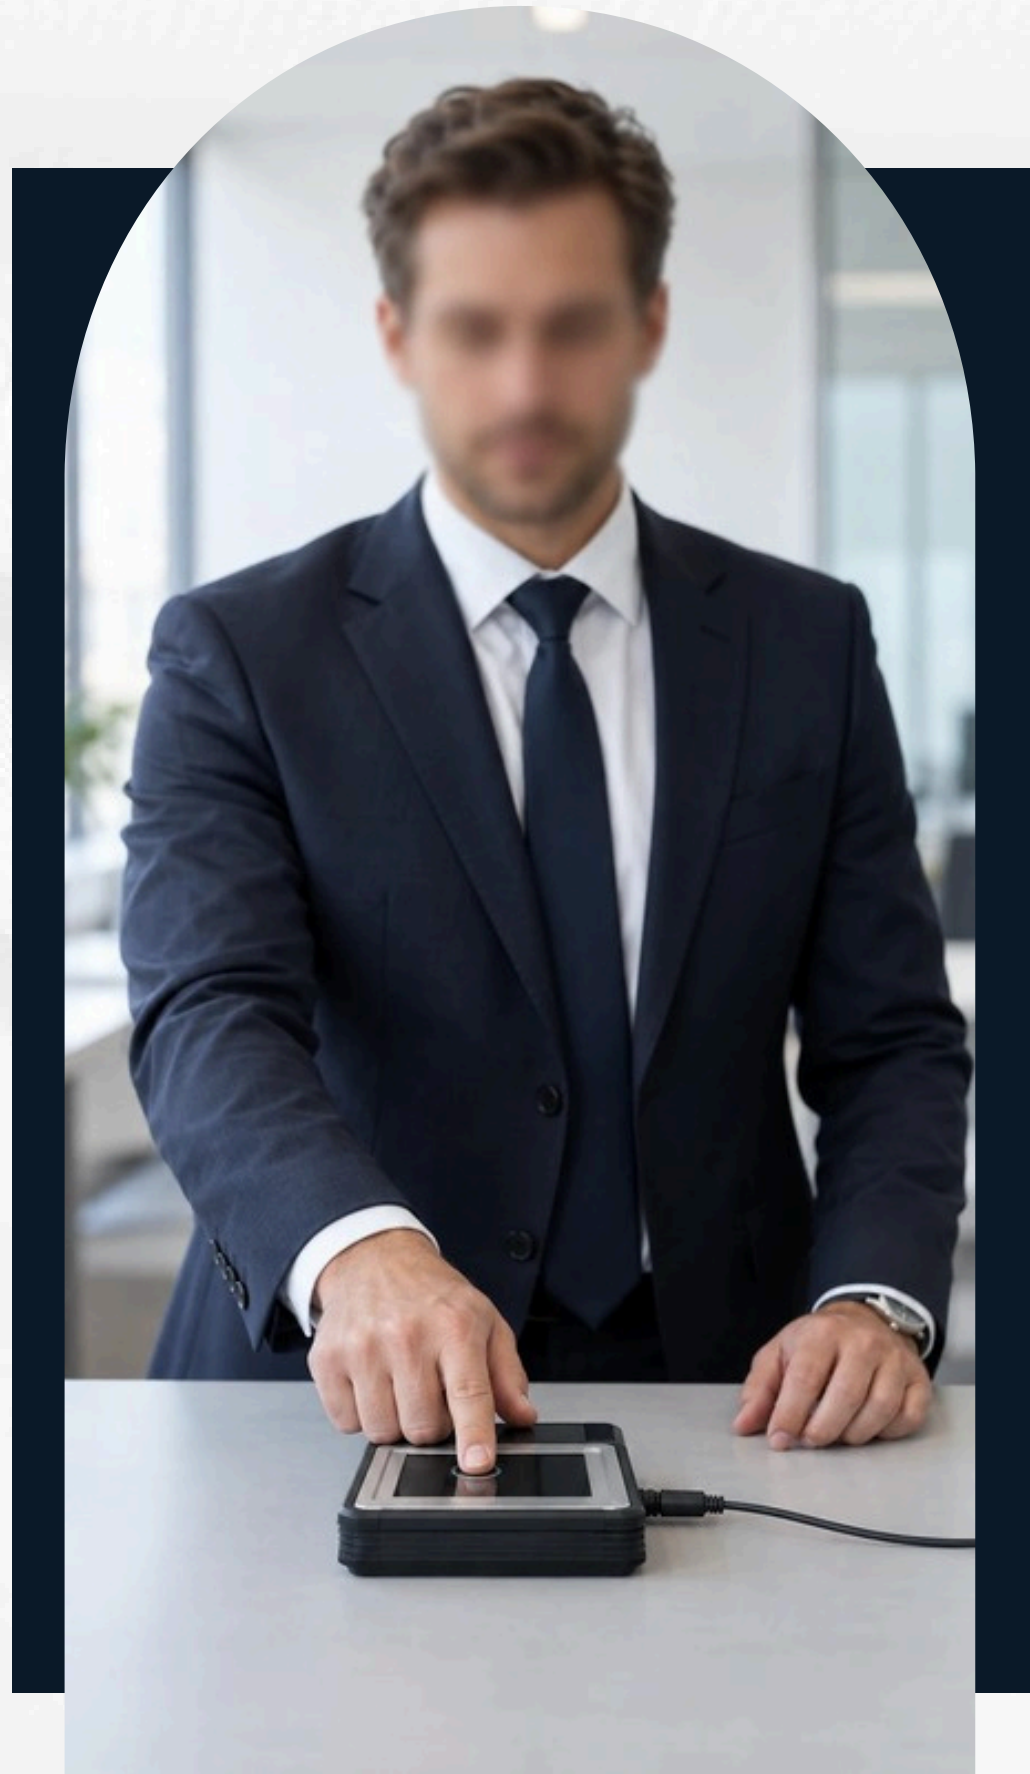

OUR **SERVICES**

MassVerify Solutions is first and foremost a background check service that also provides the supporting documents immigration clients and their attorneys often need.

1. FBI background checks (core service): standard and expedited.
2. Massachusetts CORI checks: \$65.
3. Fingerprinting: Woburn, Massachusetts, by prior arrangement.
4. Brazilian background checks: Federal Police and state-level.
5. Letters of support for immigration applications.
6. Certified translations: English, Portuguese, and Spanish.

Notarization is also available as a complementary service.
FBI pricing follows; contact us for pricing on other services.

FBI & CORI

BACKGROUND CHECKS

An FBI Identity History Summary, commonly called an FBI background check, is often requested for immigration matters, employment, licensing, and residence abroad. A Massachusetts CORI (Criminal Offender Record Information) check is the state-level record; we request it from the Massachusetts DCJIS on your behalf.

Standard FBI Background Check: \$123

Fingerprints are submitted directly to the FBI. Available to every applicant. Processing time depends on FBI volume; we give a current estimate at intake.

Expedited FBI Background Check: \$128

Submitted electronically through an FBI-approved channeler for faster processing. Available only to applicants who meet channeler eligibility requirements, which we review at intake. A valid U.S.-issued photo ID, such as a state driver's license, is part of our initial screening but does not by itself establish eligibility; applicants who are not eligible are processed through the standard route. Processing times are estimates, not guarantees.

Massachusetts CORI Check: \$65

ASSISTANCE WITH **LETTERS OF SUPPORT** **FOR IMMIGRATION APPLICATIONS**

Individual letters based on each signer's own knowledge.

HOW IT WORKS

Step 1: Tell us about the case and who will sign the letter

Step 2: We contact each signer and schedule a time to talk

Step 3: We draft the letter based on what the signer actually knows

Step 4: We send the draft to the attorney for review

Step 5: We make revisions and confirm them with the signer

Step 6: We deliver the final letter, ready for signature

Often requested by attorneys in asylum, VAWA, U visa, family-based, cancellation of removal, and prosecutorial discretion matters. Signer interviews in English, Portuguese, and Spanish. Contact us for pricing and partnership arrangements.
